

INSTRUCTIONS

Parent(s) who want to enroll their child must provide:

Proof of Age

A birth certificate or its equivalent must be presented at the time of registration.

Proof of Residence

Verification of a child's residency requires one of the following documents with a Montclair address:

- Homeowner – Montclair real estate tax bill or signed contract of purchase
- Tenant – Lease or a signed, notarized statement of tenancy by the landlord
- Child lives with Montclair resident other than parent – Affidavit executed by Montclair resident and Affidavit executed by parent or guardian
- Child placed in Montclair by Court or child welfare agency – Court order

In addition, any 3 of the following documents containing a Montclair address must be presented:

- Driver's license/registration/auto insurance card (all three count as 1 item)
- Current utility bill
- Current cable TV bill
- Current credit card bill
- Written statement from realtor that parent/guardian has signed a contract to purchase or rent in Montclair.
- Mortgage statement
- Public assistance documents
- Income tax return
- Unemployment benefit verification
- Recent paycheck/stub

Payment

- Non-refundable registration fee of \$50.00
- 1st month's tuition due upon registration
- Requests for tuition assistance based upon our sliding fee scale must be accompanied by the appropriate documentation (See Financial Assistance Policy)

Universal Child Health Record and Proof of Immunization

- The Universal Child Health Record MUST be completed and signed by the child's physician upon enrollment.
- A record of up-to-date immunizations MUST be provided upon enrollment. Children without proof of age-appropriate immunizations will not be allowed to attend school. New Jersey law requires the following before being placed in a classroom:
 - Children must have 4 doses of D.P.T.
 - Children must have 3 doses of Polio vaccine
 - Children must have 1 MMR vaccine given after the first birthday
 - Children must have HIB vaccine according to schedule.
 - Children must have Chicken Pox vaccine or documentation of Chicken Pox illness.
 - Children must have pneumococcal vaccine (Prevnar)
 - Flu shot(s) will be required between October 1st and December 15th

. Please call the nurse @ 973- 509-4500 ext. 19 if you have any questions concerning health records or immunizations.
